# Project Report

1.Introduction :

1.1 Overview : An invitation letter is written by the host of an event a gust or a group of guests (Company, institutions, etc.) for the Purpose of inviting them to event.
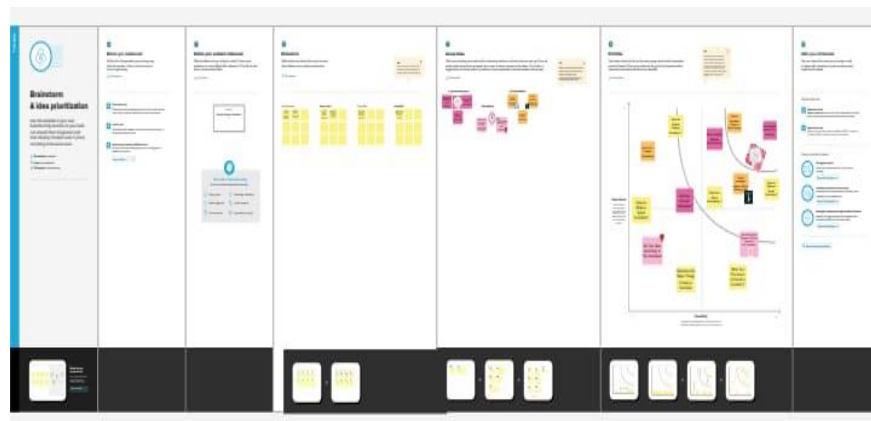

1.2 Purpose : An invitation request, a solicitation, or an attempt to get another person to join at a specific event. An invitation card conveys the overall tone of the event they are to moreover, when you receive a card for birthday party or wedding etc.

2.Problem Definition & Design Thinking:

2.1Empathy map:

2.2 Ideation & Brainstorming :

3.Result :

4.Advantages & disadvantages :

    * Another great reason to use invitation is that they help to create excitement about the event. say your close friend is engaged : you may have spoken about What he/she imagines for the wedding, what the venu might be like, what food they'll have on.

    * High in price, limited amount of ink color.

5.Application:

    Canva is way easier to use than other design programs for project like invitation, event programs, flyers, and signs.

6.Conclusion :

    At last of the invitation Thank you for your consideration. We sincerely hope that you will accept our invitationa,and we look forward to your presence.
